Half and half raffle

Prizes

Longest Drive

Closest to the Pin

The Caswell County Parish began in 1975 as a cooperative ministry combining the resources of local churches to meet the needs of our most vulnerable citizens. Since its inception, the Parish has assisted thousands of people in crisis and continues to sponsor many programs in an effort to meet the needs of county residents.

- Emergency food distribution on site
- Backpack Program providing weekend meals for Caswell school children
- Limited rent assistance
- Utility assistance for families in danger of having electrical service terminated
- Catastrophic event aid
- Christmas Cheer gifts for children in need

Future Plans are to identify additional community needs and to develop programs to meet those needs. Much needed pantry addition has been completed.
